Seasons Greetings, Christmas Dreams Friends!

Would you like to help children with life-threatening illnesses and their families experience the best Christmas ever? Would you like to become a permanent part of Christmas Dreams history? **You can!**

Santa Claus Lane, the main thoroughfare running through the heart of Christmas Dreams, will be paved with custom engraved brick pavers that will create a legacy and help make this dream a reality. This is a great way to commemorate a special occasion, honor a loved one or leave a personal message.

There are two sizes of engraved brick pavers with pricing as follows:

- 4" x 8" \$1000 per engraved Elf brick paver
- 8" x 8" \$5000 per engraved Santa brick paver

A commemorative mini brick is included with each paver.

Build a Brick Installment Plan
